As previously announced, on January 19, 2024, Coherus BioSciences, Inc., a Delaware corporation (“Coherus”), entered into a Purchase and Sale Agreement (the “Purchase Agreement”) by and between Coherus and Sandoz Inc., a Delaware corporation (“Purchaser”). On March 1, 2024, Coherus completed the previously announced divestiture of its CIMERLI® (ranibizumab-eqrn) ophthalmology franchise (“CIMERLI”) through the sale of its subsidiary, Coherus Ophthalmology LLC, to Purchaser (the “Disposition”) for upfront, all-cash consideration of \$170.0 million plus an additional \$17.8 million for CIMERLI product inventory and prepaid manufacturing assets. Such consideration is subject to certain adjustments that will be finalized following the closing pursuant to the Purchase Agreement.

The purpose of the following unaudited pro forma condensed combined financial information is to reflect the closing of the Disposition and related transactions, including the partial prepayment of Coherus’ term loans due in January 2027 (the “2027 Term Loans”) anticipated to occur on or before April 1, 2024 in accordance with the terms the Consent, Partial Release and Third Amendment with the lenders of the 2027 Term Loans. Because Coherus completed the acquisition of Surface Oncology, Inc. (“Surface”) on September 8, 2023 (the “Acquisition Date”), that acquisition is also included within the pro forma financial information and has been updated for the appropriate periods in accordance with Article 11 of Regulation S-X.

**Unaudited Pro Forma Condensed Combined Financial Information**

The following unaudited pro forma condensed combined financial information included herein presents the unaudited pro forma condensed combined balance sheet and the unaudited pro forma condensed combined statements of operations of Coherus after giving pro forma effect to (i) the Disposition, and related transactions and (ii) the acquisition of Surface (the “Merger” and together with the Disposition, the “Combined Transactions”). - the historical unaudited condensed consolidated financial information of Coherus as of and for the nine months ended September 30, 2023 contained in its Quarterly Report on Form 10-Q for the period ended September 30, 2023;
- the historical audited consolidated financial statements of Surface for the year ended December 31, 2022 filed as Exhibit 99.1 to Coherus’ Current Report on Form 8-K/A filed on November 6, 2023;
- the historical unaudited condensed consolidated financial statements of Surface as of June 30, 2023 and for the six months ended June 30, 2023 filed as Exhibit 99.1 to Coherus’ Current Report on Form 8-K/A filed on November 13, 2023; and
- the historical unaudited condensed consolidated financial information and the related accounting records of Surface’s operations for the period from July 1, 2023 to the Acquisition Date.

The unaudited pro forma condensed combined financial information has been prepared in accordance with Regulation S-X Article 11, Pro Forma Financial Information, as amended by the final rule, Release No. 33-10786

“Amendments to Financial Disclosures about Acquired and Disposed Businesses,” which is referred herein as “Article 11.” Article 11 provides the following pro forma adjustments to the historical financial information:

- *Transaction Accounting Adjustments* – Adjustments that reflect only the application of required accounting to the acquisition, disposition, or other transaction.
- *Autonomous Entity Adjustments* – Adjustments that are necessary to reflect the operations and financial position of the registrant as an autonomous entity when the registrant was previously part of another entity.

The transaction accounting adjustments are based on available information and assumptions that Coherus’ management believes are reasonable. However, such adjustments are preliminary estimates and actual experience may differ materially from expectations. There were no autonomous entity adjustments. Article 11 permits presentation of reasonably estimable synergies, dis-synergies and other transaction effects that have occurred or are expected to occur (“Management’s Adjustments”); however, Coherus has elected not to present Management’s Adjustments. No tax effects related to Transaction Accounting Adjustments were included as the related impacts were immaterial.

The unaudited pro forma condensed combined statements of operations for the nine months ended September 30, 2023 and for the year ended December 31, 2022 were prepared as though the Combined Transactions occurred on January 1, 2022. The unaudited pro forma condensed combined balance sheet as of September 30, 2023 was prepared as though the Disposition and related transactions occurred on September 30, 2023. The unaudited pro forma condensed combined financial information is for illustrative purposes only, does not reflect what Coherus’ financial position and results of operations would have been had the Combined Transactions occurred on the dates indicated, is not necessarily indicative of Coherus’ future financial position and future results of operations and does not reflect all actions that may be taken by Coherus after the closing of the Combined Transactions. Additionally, the unaudited pro forma condensed combined financial information does not give effect to anticipated synergies, dis-synergies, operating efficiencies, tax savings or cost savings that may be associated with the Combined Transactions including the related transactions. There were no existing contractual relationships between Coherus and Surface or between Coherus and Purchaser during the periods presented in the unaudited pro forma condensed combined financial information. The unaudited pro forma condensed combined financial information constitutes forward-looking information, is subject to certain risks and uncertainties that could cause actual results to differ materially from those anticipated and should be read in conjunction with the accompanying notes thereto.

## 1. Description of the Combined Transactions

### Divestiture of CIMERLI

On March 1, 2024 (the “Divestiture Date”), Coherus completed the sale of all issued and outstanding interests of Coherus Ophthalmology LLC from Coherus to Purchaser. Pursuant to the Purchase Agreement, Purchaser paid to Coherus \$170.0 million in cash plus an additional \$17.8 million for CIMERLI product inventory and prepaid manufacturing assets. Such consideration is subject to certain adjustments that will be finalized following the closing pursuant to the Purchase Agreement. This divestiture also includes Coherus’ CIMERLI biologics license application, ophthalmology sales and select field reimbursement teams, and access to proprietary commercial software.

In connection with the Disposition, the following related transactions occurred on and will continue subsequent to the Divestiture Date:

- *Transition Services Agreement* (the “TSA”): On the Divestiture Date, Coherus and Purchaser entered into the TSA pursuant to which, Coherus will provide to Purchaser certain specified transition services on the terms and subject to the conditions set forth in the TSA. The transition services provided under the TSA will run for the periods of time set forth in the schedules to the TSA, but no later than December 31, 2024. Coherus considers the impact of the TSA to be immaterial and excluded such impact from the unaudited pro forma condensed combined financial information.
- *Partial Prepayment of 2027 Term Loans*: On February 5, 2024, Coherus entered into a Consent, Partial Release and Third Amendment with the lenders of the 2027 Term Loans which requires that if the consummation of the Disposition occurs Coherus will make a partial prepayment of the principal of the loans outstanding by the latter of (i) two business days after consummation of the Disposition or (ii) April 1, 2024. Coherus intends to partially repay \$175.0 million of the existing principal balance of \$250.0 million, plus the prepayment premium and makewhole amount totaling \$6.8 million using proceeds from the Disposition. Under the preliminary assessment, the early partial prepayment of the 2027 Term Loans has been accounted for as a debt modification in accordance with ASC 470, *Debt*, within these unaudited pro forma condensed combined financial statements.

### Acquisition of Surface

On the Acquisition Date, in accordance with the plan of merger (the “Merger Agreement”) by and among Coherus, Crimson Merger Sub I, Inc., a wholly owned subsidiary of Coherus (“Merger Sub I”), Crimson Merger Sub II, LLC, a wholly owned subsidiary of Coherus (“Merger Sub II”) and together with Merger Sub I, the “Merger Subs”), and Surface, where Merger Sub I merged with and into Surface, with Surface surviving such merger as a wholly owned subsidiary of Coherus, and, as part of the same overall transaction, promptly after such merger, Surface merged with and into Merger Sub II, with Merger Sub II surviving this merger and changing its name to Surface Oncology, LLC. The total consideration paid by Coherus in the Merger was \$64.6 million, which consisted of 11,971,460 shares of Coherus’ common stock at a per share price of \$4.89, the fair value of a contingent value right (“CVR”) liability of \$5.3 million for CVRs provided to Surface shareholders, and equity of the combined company owned by Surface former employees of \$0.8 million.

In connection with the Merger, the following related transactions occurred prior to the Acquisition Date, for which disclosures of pro forma financial information would be material and are included as transaction accounting adjustments described in Note 4 hereto:

- *Repayment of Surface’s convertible note*: On June 15, 2023, in connection with entering into the Merger Agreement, Surface executed a payoff arrangement to repay all amounts due under its loan and security agreement dated November 22, 2019 with K2 Health Ventures, LLC and Ankura Trust Company (as amended, the “Surface Loan Agreement) with a principal amount of \$25.0 million. Pursuant to the payoff

arrangement, which settled in full on June 16, 2023, Surface incurred a loss on debt extinguishment of \$2.5 million.

- *Early termination of the operating lease for Surface's corporate headquarters:* On June 15, 2023, in connection with entering into the Merger Agreement, Surface executed a lease termination agreement related to the operating lease for its corporate headquarters in Cambridge, Massachusetts. Pursuant to the lease termination agreement, the operating lease terminated on September 15, 2023, with an aggregate termination fee of \$10.0 million paid to the landlord.

The transaction accounting adjustments to reflect the Combined Transactions include but are not limited to:

- the separation of the operations and transferred assets related to CIMERLI from Coherus and the transfer of those assets to Purchaser reflected in the "CIMERLI Disposition" column;
- the impact of, and transactions contemplated by, the Purchase Agreement related to the Disposition;
- the partial prepayment of Coherus' 2027 Term Loans;
- the repayment of all outstanding amounts of Surface's loan agreement;
- the early termination of the operating lease for Surface's corporate headquarters; and

## **2. Basis of Pro Forma Presentation**

The unaudited pro forma condensed combined financial information has been prepared by management under U.S. generally accepted accounting principles ("U.S. GAAP") in accordance with Article 11 and is presented in U.S. dollars. The adjustments presented in the unaudited pro forma condensed combined financial information have been identified and presented to provide relevant information necessary for an understanding of Coherus after the consummation of the Combined Transactions. No tax effects related to Transaction Accounting Adjustments were included as the related impacts were immaterial.

The pro forma adjustments related to the Disposition are preliminary and based upon available information and certain assumptions which management believes are reasonable under the circumstances and which are described in the accompanying notes to the unaudited pro forma condensed combined financial information. Actual results may differ materially from the assumptions within the accompanying unaudited pro forma condensed combined financial information. The pro forma adjustments related to the Merger which are described in the accompanying notes to the unaudited pro forma condensed combined financial information are based on the fair value of Surface's tangible and identifiable intangible assets acquired and liabilities assumed on the Acquisition Date. Coherus believes that, even after reassessing its identification of all assets acquired and liabilities assumed, it was able to acquire Surface for a price that was completely allocable to identifiable assets acquired and liabilities assumed with no residual attributable to goodwill.

Coherus was the legal acquiror of Surface. For accounting purposes, Surface was treated as the "acquired" company. This determination is primarily because subsequent to the Merger, Coherus' stockholders have a majority of the voting power of the combined company, Coherus controls a majority of the governing body of the combined company and Coherus' senior management comprises the senior management of the combined company. In accordance with U.S. GAAP, the assets and liabilities of Surface have been recorded at their fair values as of the Acquisition date.

The unaudited pro forma condensed combined balance sheet as of September 30, 2023 reflects adjustments that depict the accounting for the Disposition and the related transactions as if they had occurred on September 30, 2023. The unaudited pro forma condensed combined statements of operations for the year ended December 31, 2022 and for the nine months ended September 30, 2023 each reflect adjustments that give effect to Coherus' results of operations as if the Combined Transactions had occurred on January 1, 2022, the first day of the earliest period presented.

Surface's historical operations for the period prior to the Acquisition Date ("Pre-Acquisition Surface") are presented separately in the pro forma condensed combined financial information and the historical operations for the period including and after that Acquisition Date for the surviving entity, Surface Oncology, LLC have been presented within the consolidated results of Coherus.

The pro forma financial information does not give effect to any anticipated synergies, dis-synergies operating efficiencies, tax savings or cost savings that may be associated with the Combined Transactions including the related transactions. There were no existing contractual relationships between Coherus and Surface or Coherus and Purchaser during the periods presented in the unaudited pro forma condensed combined financial information. The unaudited pro forma condensed combined financial information constitutes forward-looking information, is subject to certain risks and uncertainties that could cause actual results to differ materially from those anticipated and should be read in conjunction with the accompanying notes thereto.

Coherus and Surface have incurred certain non-recurring charges in connection with the Merger. These charges consist of severance compensations offered to Surface's executives and non-executive employees, a termination fee resulting from the early termination of Surface's operating lease, and the repayment and final balloon payment of Surface's convertible note. Coherus incurred certain additional non-recurring charges in connection with the Disposition. These charges primarily consist of accelerated share-based compensation and cash compensation arrangements offered to Company Employees (as defined in the Purchase Agreement). Transaction costs related to financial advisors, legal services and professional accounting services have also been incurred in conjunction with the Combined Transactions. These costs are not expected to be incurred in any period beyond twelve months from the closing dates of the Combined Transactions. Accordingly, the unaudited pro forma condensed combined statement of operations for the year ended December 31, 2022 reflects the effects of these non-recurring charges, which are not accrued for in the historical combined balance sheet of Coherus as of September 30, 2023.

### **3. Adjustments to Unaudited Pro Forma Condensed Combined Balance Sheet**

The unaudited pro forma condensed combined balance sheet as of September 30, 2023 reflects the following adjustments:

#### *Transaction Accounting Adjustments related to the Disposition*

- (a) The information in the "CIMERLI Disposition" column in the unaudited pro forma condensed combined balance sheet is derived from Coherus' condensed consolidated financial information and the related accounting records as of September 30, 2023. It reflects assets transferred to the Purchaser pursuant to the Purchase Agreement and certain assets derecognized.
- (b) Represents the net cash of \$179.8 million received in connection with the Disposition, which consists of the gross proceeds of \$170.0 million in cash plus \$17.9 million for CIMERLI product inventory and prepaid manufacturing and working capital adjustments of \$(0.1) million pursuant to the Purchase Agreement, net of the estimated transaction costs of \$8.0 million upon the closing of the Disposition. As of September 30, 2023, no transaction costs were accrued in Coherus' historical financial statements. The transaction costs include incremental professional fees (e.g., legal, banking, advisory and accounting), that are directly attributable to the Disposition.
- (c) Represents the partial prepayment of \$175.0 million of the existing principal balance of \$250.0 million of the 2027 Term Loans, plus the prepayment premium and makewhole amount totaling \$6.8 million using proceeds from the Disposition. Since the partial prepayment was treated as a modification under our preliminary accounting assessment, the prepayment premium and makewhole amount totaling \$6.8 million have been recorded as a reduction to the balance of the 2027 Term Loans.
- (d) To reflect the estimated tax impact of \$0.6 million related to the gain on the Disposition, which has been accrued for in "Accrued and other current liabilities" in the unaudited pro forma condensed combined balance sheet as of September 30, 2023. Upon the Divestiture Date, the ultimate disposition of such assets and the resulting tax impact and associated taxes recognized on the Disposition could result in material changes from the unaudited pro forma condensed combined financial information.

- (e) To reflect share-based compensation expense of \$0.2 million related to accelerated vesting and an extension of the exercise window granted to Company Employees (as defined in the Purchase Agreement) in connection with the Disposition.
- (f) To reflect cash obligations of \$4.9 million for compensation arrangements offered to Company Employees (as defined in the Purchase Agreement) which are expected to be paid in early 2025.

Transaction Accounting Adjustment related to the Merger

- (g) To reflect the cash settlement of \$0.5 million related to Coherus' transaction costs incurred in connection with the Merger after September 30, 2023 consisting of legal, accounting and auditing fees. Certain general corporate overhead expenses that were allocable to CIMERLI's operations but not specifically identifiable as costs of CIMERLI did not meet the criteria to be presented in the disposal group and are therefore presented within Coherus' continuing operations.
